

A PURPOSE-DRIVEN WORKFORCE.
A STRONGER COMMUNITY.

Are you looking to implement a skills-based volunteering program to increase employee engagement within your company?

Common Impact unlocks your company's most strategic asset - your people - to catalyze a new, connected community and economy.

Strengthen your company, your employees and **society**

Leadership Development

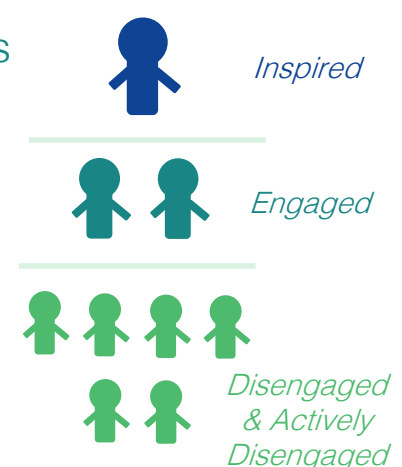

96%

of our volunteers consider skills-based volunteering a valuable professional development experience.

Employee Engagement

70% of U.S. employees are disengaged or actively disengaged.

Our programs increase the inspired employees at your company.

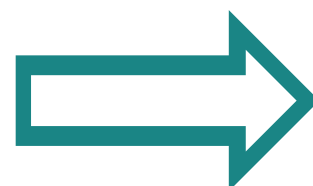

Social Impact

THE NEED:

The average nonprofit invests 2-8% of its total budget on organizational infrastructure, compared to the 20-35% average investment by companies. Skills-based volunteering leverages time and talent to close the gap.

\$27

Value of a hands-on volunteering hour

\$150

Value of a skills-based volunteering hour

Notable Numbers

90%

of our volunteers believe experiences like these make them more inclined to recommend their company as a great place to work.

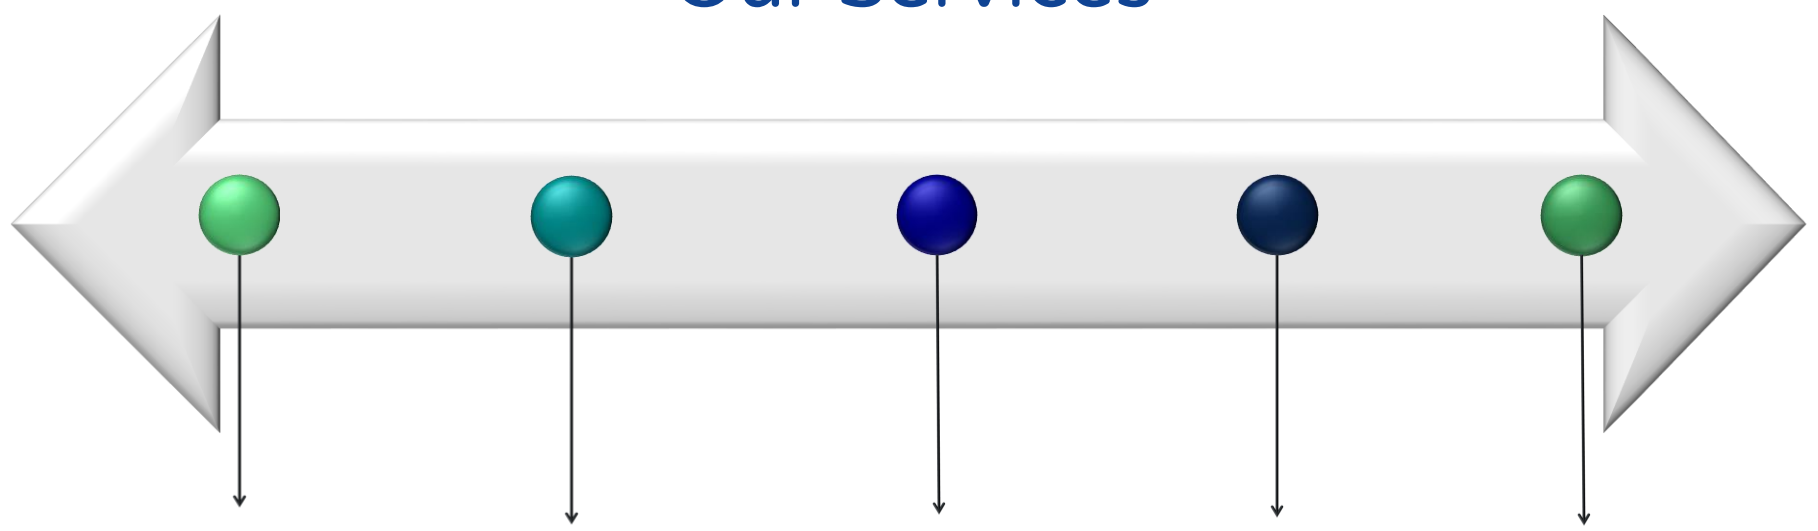

96%

of our volunteers thought their project made a real difference to the nonprofit.

80%

of our volunteers believe they improved their problem solving & decision making skills as a direct result of the project.
